One Donor's Community Impact

Donor

"So many organizations are doing amazing work for people of all ages & abilities in the Gallatin Valley, and it is my honor to support them. As a senior that has lost most of my family I know that programs like Befrienders break up the routine of daily life, and enrich the lives of seniors and volunteers, alike."

John Ingalls,
Donor-Advised Fund Holder

Nonprofit Organization

"Unrestricted funds from BACF and donor-advised funds allow us to continue our mission. We've been able to reach more seniors and community members because our baseline costs are covered."

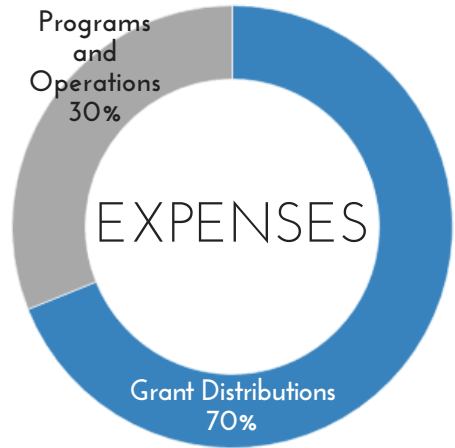

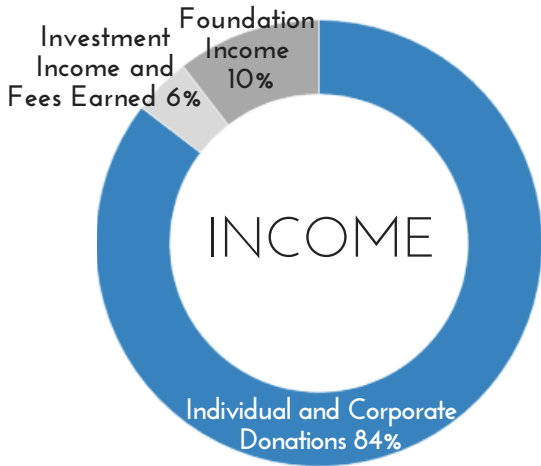

Jessica Stillman, Executive
Director - Befrienders

Community Member

"My Befriender, Heidi, and I have so much fun together. Befrienders helps young people connect with older people so they can understand each other more and learn new things from one another."
